

International Workshop on “Asian Field Science Network”

- New horizon of research collaboration among cooperated universities -

学長裁量経費による国際ワークショップ

アジア・フィールドサイエンス・ネットワーク

- 交流協定校を結んだ共同研究の構築に向けて -

Date & time: March 25 (Tue) 10:00 - 17:00

March 26 (Wed) 10:00 - 12:00

Venue: room 4-1-13, Faculty of Agriculture

Presentations:

March 25, morning

Proposal for the establishment of Asian Field Science Network (AFSN)

Katsutoshi Sakurai, Kimio Fukami, Tomoaki Ichie (Kochi University, JAPAN)

Introduction of International Field Science Training

Masayuki Matsuoka (Kochi University, Japan)

The Present State and Out Look into the International Exchange in Kochi University

Takatoshi Endo (Kochi University, Japan)

March 25, afternoon

Study on the treatment of polluted wastes from craft villages around Hanoi

Le Thanh Son (Hanoi University of Science, VIETNAM)

Pesticide residues in soils from agricultural fields in Red River Delta, Vietnam

Takuro Nishina (Kochi University, JAPAN)

The current state of water environment in Nhue - Day river Basin, Northern Vietnam

Nguyen Lan Hung Son (Hanoi National University of Education, VIETNAM)

Agroforestry Land Use Planning for Sustainability in Khlongphu-Khlongpook Watershed, Trat Province, Thailand

Chongrak Wachrinrat (Kasetsart University, THAILAND)

Effect of Land Use Change on Hydrological characteristic and Sediment on Nam Pong watershed

Naruemol Kaewjampa (Khon Kaen University, THAILAND)

Amelioration of soil infertility in the Kelantan Plains for crop production

Shamushuddin bin Jusop (University Putra Malaysia, MALAYSIA)

Soil nutrient fluxes in Hinoki (*Chamaecyparis obtusa*) forest in comparison with invaded Bamboo (*Phyllostachys pubescens*) site at Naruyama, Kochi Prefecture, Japan

Norhaidi Yunus (Kochi University, JAPAN)

March 26, morning

International student in Kochi University

Yumiko Kitaoka (Kochi University, JAPAN)

Environment and energy issues in remote areas of rural Indonesia: Case studies in Sukanagara, Cianjur-West Java and Marabahan, South Kalimantan

Supiandi Sabiham (Bogor Agricultural University, INDONESIA)

Discussion for the establishment of Asian Field Science Network (AFSN)
