

The Presentation of the Tenure-Track Researchers

The presentation of the tenure-track researchers was held at Asakura Campus, Kochi University on Friday, December 9, 2011.

Mr. Sagara, the President of Kochi University, has made opening speech, and Mr Kotsuki, Chief Director of IMT*, explained IMT project content afterward.

Also, all of tenure-track researchers have presented their research field, research history, current research content and future research plan. The participants were able to find significant value and importance of IMT project by discussion with faculty members and students

(Top Left to Right)

Mr. Sagara (President), Dr. Ulanova (Specially Appointed Assistant Professor), Dr. Kataoka (Specially Appointed Lecturer)

(Middle Left to Right)

Dr. Miura (Specially Appointed Assistant Professor), Mr Kotsuki (Chief Director of IMT), Dr. Teramoto (Specially Appointed Lecturer)

(Bottom left to Right)

Dr. Onodera (Specially Appointed Assistant Professor), Dr. Tsubaki (Specially Appointed Assistant Professor), Dr. Tuda (Professor)

In addition, Mr. Sagara, Dr. Hirano (Project Professor), Dr. Kotsuki and all tenure-track researchers have participated in the meeting on the same day to exchange information of research fields, research progress, and future research plan.

Mr. Sagara has encouraged them to strive on their each task and these efforts would be significantly important to lead to further development of Kochi University.

All of tenure track researchers have once realized the size of expectation to be asked and the weight of responsibility imposed on each of them.
